

Guinea-Bissau establishes Open Ships Registry

Following the adoption of pertinent governmental decision, the Ministry of Transports and Communications is pleased to announce the launch of the International Ships Registry of Guinea-Bissau, managed and operated by the Greek company G-B INTERNATIONAL.

G-B INTERNATIONAL (with official full title name “International Ships Registry of Guinea-Bissau”) is a Greek private corporation duly appointed and delegated by the Ministry of Transports and Communications, to manage, operate and administer the International Ships Registry of Guinea-Bissau, for the registration of vessels engaged in international trade.

The launch of International Ships Registry of Guinea-Bissau represents a key component of a broader governmental marine development program and synergies aimed to raise internationally Guinea-Bissau’s image and reputation as a trusted and reliable maritime partner.

The Ministry of Transports and Communications together with G-B INTERNATIONAL are committed to delivering trusted, prompt and dependable services to the global shipping industry in terms of ships registry activities and collaborate closely on maritime matters and the evolution of the International Ships Registry of Guinea-Bissau.

The offices of G-B INTERNATIONAL as the headquarters of the International Ships Registry of Guinea-Bissau are located in Piraeus, Greece, being a predominant global shipping hub.
