

**INFO BULLETIN Nr. 04/ 2024, 10/06/2024**

**Subject: “Successful Participation of Guinea-Bissau International Ships Registry at Posidonia 2024”**

1. We are thrilled to announce the successful participation of the Guinea-Bissau International Ships Registry (GB ISR) at the Posidonia 2024 Maritime Exhibition, held in Athens (June 03 to 07 2024). This year’s event was monumental, featuring representatives from 103 countries, welcoming close to 30,000 visitors, and hosting 1,970 exhibitors. We extend our warmest regards to all exhibitors and visitors in Greece, the cradle of maritime civilization.
2. Shipping connects people, economies, and cultures, and Posidonia embodies this spirit perfectly. It serves as a dynamic platform for the shipping industry and the broader maritime cluster to exchange views, seize business opportunities, showcase innovations, and develop solutions to current challenges.
3. At GB ISR, we aimed to raise awareness of the operation of the international ship's registry and meeting with our clients and stakeholders within our wider cooperation domain, including ship owning and ship managing companies, charterers, Deputy Registrars, Recognized Organizations, International Registries, Maritime Administrations and various companies of maritime significance. Posidonia 2024 presented a remarkable opportunity to enhance collaboration among all members of the maritime ecosystem and in particular within the ships' registration services.
4. During our successful participation at Posidonia 2024, the Guinea-Bissau International Ships Registry (GB ISR) showcased its solid operational potential and the numerous commercial advantages it offers to the maritime industry. Of particular relevance are considered the Competitive Fees and Cost-Efficiency when put in context to our commitment to Safety and Compliance.
5. GB ISR offers highly competitive registration fees, ensuring cost-efficiency for shipowners and operators. Our streamlined processes and transparent fee structures help reduce operational costs, making us an attractive choice for vessel registration. Our stand was a hub of activity, attracting stakeholders, customers, management companies, and Recognized Organizations, all eager to learn about the benefits of partnering with GB ISR.
6. Thank you to everyone who visited our stand and contributed to the success of this event. We are committed to fostering strong relationships and providing unparalleled services that support the growth and success of our clients. We look forward to continuing our collaboration and driving the maritime industry forward.
